

Worm Magic

Follow this simple recipe to make great soil from your food scraps

1. Take off the lid and blanket of the worm farm
2. Tip in the food scraps - **EAT**
3. Add some soil from the bucket
4. Give them a scratch with the fork - **BREATHE**
5. Add some water - **DRINK**
6. Put the blanket and lid back on
7. Clean your tools and put them away
