Kimbriki offers a range of accounts to suit different customers, contact our Finance Team for more information.

Kimbriki is not licensed to receive:

- | | | | |
|-------------|-----------------|-----------|---------------------------|
| ✗ Food | ✗ Gas Cylinders | ✗ Liquids | ✗ Hazardous Waste |
| ✗ Chemicals | ✗ Animal Waste | ✗ Nappies | ✗ Car Bodies and Trailers |

★ Asbestos

Kimbriki accepts asbestos in double-bagged or double-wrapped, and sealed in heavy duty builders plastic at least 120UM thick – package limit 20kg each and unloaded by hand. Transporters with loads over 100kg must report to the EPA using: Integrated Waste Tracking Solution
www.kpmgorigins.com/iwts

★ VENM - Virgin Excavated Natural Material

Natural material such as clay, gravel, soil, sand and rock fines, which has been excavated from an area that is not contaminated VENM must not contain any contaminants such as grass, concrete, bricks, broken pipes, building material, sulfidic ores or any other foreign matter.
All VENM loads delivered for disposal at Kimbriki must be accompanied by a signed NSW EPA VENM Certificate (download at www.kimbriki.com).

★ Globes & Fluorescent tubes

Must be fully intact and removed from packaging.
Maximum of 10 items per customer.
Fluorescent tube lengths up to 4ft (1.2m) are accepted.

★ Clothing

Donations must be in good condition, clean wearable clothing items, manchester (towels, bedsheets, bedspreads, blankets, etc.) and accessories. If the items are not suitable for re-use, mixed waste rates apply.

★ Paint

Limit of 200 litres is measured by the size of the container not the amount of paint inside. For a list of what is accepted, see www.paintback.com.au.

★ E-waste

For a list of what's accepted, see techcollect.com.au or kimbriki.com.
Toners must be removed from items.

★ Fridges, Freezers & Air Conditioners

Must be de-gassed, or the charge per unit applies.
Free of charge with proof of de-gassing by a licensed technician who holds a current ARC Refrigerant Handling Licence.

★ Resident Vegetation Drop off at Kimbriki. For residents of Northern Beaches or Mosman Councils only

1. Vehicles are limited to cars, station wagons, utes, family vans or trailers with up to 300kg and proof of residency.
2. Trade vehicles are excluded. Arrangements can be put in place to register a resident's trade vehicle for their own occasional use. Visit Kimbriki Reception for details (Mon-Fri).
3. Residents are entitled to one vegetation drop-off on any given day.
4. If your load is over 300kg you must pay for the portion over at the vegetation tonne rate.

Weighbridge

All vehicles must ENTER and EXIT via the weighbridge.
Failure to stop and pay at exit will start debt recovery action and prevent your re-entry to site.

CCTV and Licence plate recognition

Kimbriki operates under CCTV and all vehicle licence plate numbers are recorded at the weighbridges.

Loading and unloading

All loads must be unloaded by the customer. Please bring appropriate resources to unload. Once waste has been dropped, charges will apply. Waste cannot be retrieved once it has been dropped.
Crane use on Kimbriki site is only permitted with prior arrangement.
Please contact the Administration Office on 9486-3512.

Cover your load

You must legally secure and cover your load when transporting waste and materials.

Site Safety

Our business is committed to the health of our customers, staff, local community, and the environment. Safety instructions and directions issued by Kimbriki staff and our contractors are for the protection of everybody and must be followed at all times.

Obey speed limits and staff instructions

Do not smoke

Keep children inside vehicles

Caution: Heavy plant and machinery

Use appropriate lifting methods
