

Decomposition: Lesson 2

Stage/ Year	Early Stage One	Lesson Number	2	Duration	45 mins
--------------------	-----------------	----------------------	---	-----------------	---------

Key Learning Area(s)	Science
-----------------------------	---------

Syllabus outcome/objectives(s)	Additional Key Learning Areas
<p>STe-1VA: Shows interest in and enthusiasm for science and technology, responding to their curiosity, questions and perceived needs, wants and opportunities</p> <p>STe-4WS: Explores their immediate surroundings by questioning, observing using their senses and communicating to share their observations and ideas</p> <p>STe-9ME: Identifies that objects are made of materials that have observable properties</p>	

Reflection

Discuss the process with students, highlighting how materials – even food scraps can be recycled to reduce impacts on landfill.
