

Waste and Sustainability in Schools - Teachers PROFESSIONAL DEV. DAY Kimbriki Eco House and Garden

Friday 4th Sept. 2026

9am - 3pm

Northern Beaches/Mosman Council
Schools - \$125 | Other Areas - \$150

Whether you have been engaged with sustainability at your school for some time or are just beginning to engage in the sustainability cross-curriculum priority, there will be plenty on offer for all to engage further and learn from each other at this professional development day. **Come and join us on this unique day to make our schools more sustainable.**

(MyPL course code = NR37030)

Our aim is to support students and teachers to appreciate that sustainability embraces **social and economic sustainability** – as well as **environmental sustainability** – and to engage with concepts of **social justice, fairness, sharing, democracy and active citizenship.**

What will participants learn and what skills will be gained?

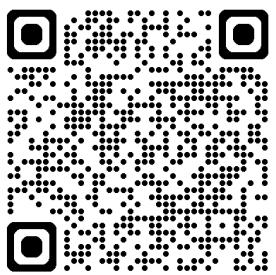

One-day elective professional learning program that meets NESA standards and provides educators with the knowledge and practical skills to integrate waste and sustainability into their programs in a curriculum relevant way.

We advocate for a shared and collaborative approach in this professional development day which will allow educators to;

- build confidence in integrating sustainability into their school's everyday activities and KLAS;
- learn from case studies from other schools;
- hear from guest speakers who can support your programs;
- provide guidance on setting up effective systems at your school to minimise and manage waste;
- access curriculum supported educational resources to take back to your school to educate other staff members in your own school's professional development sessions.
- enjoy morning tea and light lunch (provided) along with lucky door prizes and a goodie bag

To book immediately & receive an invoice/receipt for your credit card payment **click "Book Now"**, fill in your details and to proceed to the check out.

If you prefer an **invoice** to be sent to your Centre, email the Event Organiser' at ECO.House@kimbriki.com to send us your request. We will send you a Booking Form to complete and return to us with your Purchase Order. Your place will be held and an invoice will be issued.
