* ref on page 2

Occasionally we are unable to reach our minimum numbers for hosting a workshop and we will need to cancel. If this happens, we will make the decision approximately five business days prior to the workshop. When we cancel a workshop, we can either move your booking to an alternative workshop date or offer a refund.

Bookings are essential. Please secure a ticket online

- **Seaforth Kitchen Garden**, 14 Yatama Street, Seaforth 2092 (near Seaforth Childcare Centre on Yatama Street)
- **Balgowlah Community Garden,** 100 Griffiths Street, Balgowlah 2093.
- **Freshie Community Garden,** 117 Queenscliff Road, Queenscliff 2096

Composting With Kids*
- meet the famous compost worms that make soil out of our leftover food scraps
- be a macro invertebrate detective and discover our good garden bugs and compost critters
- make a clay habitat and garden creature to take home
- design your own Compost Recipe sign for your home kitchen

Beginners Organic Veggie Gardening
- learn a simple method of starting a new veggie garden
- learn the difference between organic gardening and toxic chemical gardening
- learn about the connection between healthy gardens and healthy people
- experiential learning – we build a new garden together!

Composting 101*
- get food scraps out of landfill and make your own healthy soils
- everything you could possibly want to know about how to successfully run a compost system
- problem solving

Organic Garden Pest Control
- understand the importance of healthy soils and the need to reduce chemicals in the garden
- recognise & identify pests and options to control them
- learn about the benefits of companion planting and weed management

Worm Farming 101*
- get food scraps out of landfill and make your own healthy soils
- everything you could possibly want to know about how to successfully run a worm farm
- problem solving

Educators Professional Development Day
- one-day elective professional learning program that meets education standards and provides educators with the knowledge and practical skills to integrate waste and sustainability into their programs in a curriculum relevant way
- hands on activities; case studies from local schools and centres; curriculum supported education resources
- morning tea and light lunch provided
- lucky door prizes and goodie bag

*Northern Beaches Residents attending a workshop on **Composting and/or Worms**: Northern Beaches Council would like to support its residents in recycling food waste at home by giving you a voucher towards buying a worm farm or compost bin. Northern Beaches Council will issue a $90 voucher to Northern Beaches residents who attend a Kimbriki workshop on Composting and/or Worms, and **who have not had a free worm farm, compost bin or voucher from Council in the past**. One voucher per household (not per person) is issued irrespective of number of workshops attended. The vouchers are issued in person after you have attended and finished the workshop. Voucher can be used at the Kimbriki Eco House & Garden Eco Shop or New Leaf Nursery in Ingleside.

Visiting the Eco Garden
The Eco Garden is open when Kimbriki is open. You are welcome to visit the garden, but the garden may not be staffed.
Please leave the garden by 4.30pm as the Kimbriki site gates are locked at 5pm. Email: kimbriki@kimbriki.com or phone Mon-Fri 9486-3512.

Bookings are essential. Please secure a ticket online
